Chris,

Could you please send me the report for the demo today if possible? Draft is fine to me. I want to confirm my understandings, especially what NHTSA said (NHTSA's opinion etc.) because I need to report to my big boss.

Thanks,

Mitch

Subject REMINDER : Some requests to you based on our discussions

Chris,

Thank you very much for your great cooperation and support on the demo & meeting with NHTSA concerning the Sienna liftgate.

Per our discussion when I was in DC, please do the following;

Meeting summary

Please make a summary of meeting with me on Monday, 5/14, such as SSV, EWR etc.

TMA Resport for the demo

Please make a TMA-Report for the demo and the meeting with NHTSA regarding the Sienna Liftgate, including what we should do from now.

Meeting Material

Please get the meeting material back from a person of NHTSA who took it when having the meeting.

Drafting the Toyota's assessment

Please draft the Toyota's assessment(response to Q16 in the PE IR) regarding the ES350 all weather floor mat by the end of the next week.

Best regards,

Mitch
